TRIM SIZE OF THE REPORTER IS 8½" X 11"

Other Advertising Options:

- Guaranteed positioning available for an extra charge – see “Special Positions” chart.
- Professional advertising and design services are available at reasonable rates.
- \$75 per hour with a minimum charge of \$50 will be applied in the following cases:
 - Minor file correction. In most cases we cannot make changes to PDF files submitted to us.
 - Adverts submitted to us at low resolution or without necessary font and files will not print correctly. We are unable to assume responsibility for poor quality. Time spent reconciling incomplete files will be billed.

Advert Submissions

Adverts are to be submitted electronically via email or a dropbox. Adverts must be in PDF (Portable Document File) format. When exporting a file to PDF format, choose the Press option in the preset window. PDFs created by MS Publisher, Word or PowerPoint do not print well so are not acceptable.

Advert File Format Specifications:

- 300+ DPI TIFF or CMYK
- PDF file
- Packaged .idml files
- Please make sure your advert is the correct dimensions (see opposite side) and is CMYK, not RGB.
- Full-bleed adverts: Please make sure no text is within 1/4 inch of the trimline.

Back Cover	1,600	3,200

12X – 5%

Here are some terms you may need to know:

- BLEED – To print right up to the edge of the page, printers print past the edge of the page, then cut it to size. The area that’s printed on, but is cut off, is called the bleed.
- HIGH-RES/DPI – Dots Per Inch, also called resolution. This describes how many dots are printed in one square inch of paper. Computer monitors have much lower resolution (72) than print (300+).
- CMYK/RGB – Our printer combines Cyan, Magenta, Yellow, and Black (CMYK) to make colors. Computers use Red, Green, and Blue (RGB).
- TIFF – An image file format that is very large, but doesn’t compress the image to save space. Best for print.
- JPG – A compressed image file format that trades quality for a smaller file size. JPGs can be used as long as they are set to high quality (low/no compression) and are at least as big as the size required.

Contract and Copy Regulations

Specific insertion dates must be given at time of contract to earn frequency discounts. Contract period is for the calendar year. Adverts eligible for the 12-time insertion rate must be run in 12 consecutive issues. Other frequency adverts may be run as desired within the 12-month contract period.

When a contract for advertising at frequency rates is cancelled, the advertiser will be billed at the one-time rate or the frequency rate applicable to the frequency of insertions or quantity of space used.

The publisher reserves the right to decline any advertisement for any reason it deems sufficient. The advertiser assumes liability and agrees to hold the publisher harmless for content of advertising published, and for any and all claims arising from content, which might be made against the publisher, including claims or suits for libel, violation of right of privacy, plagiarism, and copyright or trademark infringement.

Acceptance of advertising does not in itself constitute recommendation or endorsement of an advertiser’s firm or product by the publisher.

If legal action is necessary for collection or other causes, the advertiser agrees to pay all attorneys’ fees and court costs.

Please note that the WMA logo or name may not be used in any advertisement without prior permission.
