## 2018 WMA Spring Seminar

The Grand Hyatt Kauai  
1571 Poipu Road | Koloa, HI  
808.742.1234

**April 28 through May 5**

### HEAVEN IS A PLACE ON EARTH CALLED KAUAI

Kauai is an island in the Central Pacific, part of the Hawaiian archipelago. It's nicknamed "the Garden Isle" thanks to the tropical rainforest covering much of its surface. The dramatic cliffs and pinnacles of its Na Pali Coast have served as a backdrop for many films, while 10-mile-long Waimea Canyon and the Nounou Trails traversing the Sleeping Giant mountain ridge are hiking destinations.

### WAVES BREAK BEYOND THE REEF, BLUE FILLS THE SKY

Set along the white sands of Poipu, the Grand Hyatt's breathtaking beachfront resort is balanced between magnificent lush mountains and the azure sea.

### THE SPIRIT OF HAWAII LIVES HERE

We invite you to join us at this year's WMA Spring Seminar to take part in excellent educational opportunities in a breathtaking setting.

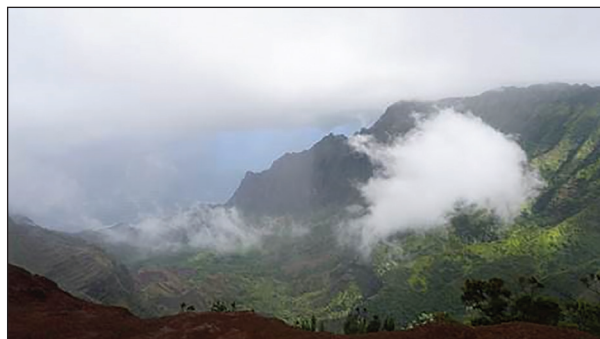

## Now how about some fun? Take a look at these optional events we have selected for you! All tours have limited seating!

**Monday, April 30 — The Ultimate Ranch Tour** is a breathtaking three-hour off-road tour through Kipu Ranch. We will ride through lush green pastures, venture down into tropical Huleia Valley, and ascend to majestic Haupu for a breathtaking view of Kipu Kai, Kauai's untouched paradise. We will traverse to the top of Mt. Haupu, through the forests and along the Huleia River to the Indiana Jones Rope Swing. We will ride through historic landscape and movie locations such as Jurassic Park, Indiana Jones Raiders of the Lost Ark, and most recent The Descendants. Drinks, snacks, helmets, goggles and bandannas are provided. Closed toe shoes are required. Two people per vehicle with both being allowed to drive provided each has a driver's license.

### **Tuesday, May 1 — Waimea Canyon and Kokee State Parks Hiking Tour**

Waimea Canyon is a deep network of canyons that are spectacular and something you would not expect to see on the Hawaiian Islands. We will go along a remote area of Kokee Park to get to the southern part of the Napali Coast where we will be accessing one of the more remote ridge tops for exquisite views of the Polihale State Park and get a peek of the last five miles of the Napali coastline which many people do not get to see. We will also do a brief hike along the rim of the Waimea Canyon where we will see the three side canyons called the Waialae, the Koaie, and the Poomau. You will have a much better perspective of the whole island from this short, sweet and easy hike.

**Tuesday, May 1 — Tasting Kauai Food Tour** is suitable for all age groups and fitness levels. This tour is a celebration of food inspired by Hawaii's diverse cultures. Enjoy delectable foods from one-of-a-kind specialty food stores, a food truck and famous local restaurants while receiving an insider's view into the culture and history that defines the Garden Island. Walk away with new culinary perspectives, big smiles, satisfied taste buds and the confidence to explore new flavors. The entire tour will provide generous tastings like award-winning sushi and molecular gastronomy. You'll sample tropical fruit made into jams, bowls, gelato and pastries and uncover the best vendors at a gourmet farmers market as you follow in the comfort of your own car and sample the sights, flavors and culture of Kauai's sunny South Shore.

**Wednesday, May 2 — Snorkel Sail Tour** gets an early departure from Port Allen. We will head toward Napali where you'll see views of Niihau, Polihale and the ridges of Kokee. The early morning departure means calmer conditions and virtually ensures an encounter with a massive pod of Hawaiian Spinner dolphins that cruise up the coast daily. We will take a near-shore route up the entire coast then sail downwind offshore. On Napali you'll see spectacular sea cliffs, numerous waterfalls and lava tubes. This coastline is the result of nearly eight million years of exposure to wind, waves and rain. The crew is knowledgeable in the history and legends of the ancient civilizations that once inhabited these valleys. After a downwind sail, we'll pull into a remote snorkel spot where we anchor and you can get in the water, or simply relax. After snorkeling the crew prepares a delicious lunch with beer and wine.

**Thursday, May 3 — This Customized Private Photography Adventure** covers the east through north shores of Kauai. This is the tour to take to see as many different places as possible and if you are new to the island wanting to learn your way around. Or, if you've been here before but just want to see, walk around, enjoy and photograph some of the most beautiful, secluded and lush settings found anywhere in Hawaii—or in the World for that matter! You will get to explore and photograph each location including many off-the-beaten-path gorgeous settings. This photo tour is TRULY a stroll through paradise! Camera and equipment rental and sales are available. This tour can be customized for a small group.

**Friday, May 4 — Watercolor Painting Class** while sipping wine and enjoying some local appetizers in the studio of Watercolors by Marionette—a professional art studio that is comfortable and fun. Your creative juices will flow as Marionette guides you through a watercolor painting class. We will paint a scene from Shipwreck Beach. All art supplies are included with the class, and taught step by step so there is NO EXPERIENCE necessary! Just come enjoy, relax and paint!

Departure and approximate return times are in the **Schedule of Events** in this brochure.
