

Subject: Please join MHAction for a national leadership gathering

From: info@mhaction.org

To:

Date: Monday, October 1, 2018, 3:45:07 PM PDT

Every year MHAction strives to bring together existing and emerging leaders for an opportunity to learn new skills together, build relationships, and put training into action.

This year, we'll be bringing 20-30 residents of manufactured home communities from around the country to Westminster, California, October 15-19th. MHAction will cover travel, housing, and food for participants. We will have several days of training together to learn about strategic campaign planning, racial and economic justice, and nitty-gritty organizing skills. Then, we'll participate in outreach activities in nearby manufactured home communities to support local leaders who are working to build a county-wide residents' association. [We have several slots open, if you are interested in attending, please complete this application form as soon as possible.](#) Feel free to reach out to info@mhaction.org with any questions, or for more information.

During our outreach, we'll also be educating community members about Proposition 10, an exciting California ballot initiative that would expand the power of local representatives to enact comprehensive rent control policies. While it doesn't directly impact manufactured home communities, leaders in California believe it's key to addressing the housing crisis, which is indirectly driving up the cost of lot rents in manufactured home communities. [MHAction Core Team Member Patti Rose recently submitted a letter to the editor explaining her support for Proposition 10, take a look for more information.](#)

These annual meetings offer helpful information to bring back to our communities, but more than anything, we appreciate the opportunity to get to know other manufactured homeowners facing

the same challenges we face. The ongoing support these relationships provide help us to stay motivated and focused when the going gets tough. We hope you'll be able to join us in California and be a part of this experience.

Sincerely,

MHAction Core Team
