Re: October 2007 Southern California Wildfires

Dear Mr. Schweinfurth *BN*

I want to thank you for your generosity in the wake of the recent wildfires in the San Diego region. I greatly appreciate your donations and support for all those affected by the fires.

Wildfires, and their aftermaths, are something that those living in Southern California have become unfortunately accustomed to. Yet there is no amount of preparation and organization that can prepare residents for the devastation of losing their home and belongings.

The outpouring of donations and support for fire victims has been overwhelming. Your assistance and compassion during this time have shown the nation California's character, and our ability to join together when disaster strikes.

Again, I want to sincerely thank you for your support of fire victims. Your actions will not soon be forgotten.

Sincerely,

Mark Wyland
